EASILY**

**IMPROVE SAFETY CHECK
PERFORMANCE**

The **Mobil Security**[®] solution...

SECURITY FOR YOUR EVENT

- ✓ Targeted detection of hazardous materials and objects
- ✓ Contactless checks in compliance with social distancing rules
- ✓ Anti-ram vehicle barrier

USER EXPERIENCE

- ✓ Very good acceptance of a solution with low constraints for the public
- ✓ Reduced waiting times
- ✓ Visibility of the event entrance
- ✓ Accessible to people with reduced mobility

EASE OF USE

- ✓ Speed of deployment approx. 20 min
- ✓ Simple to implement (no civil engineering)
- ✓ Easy to move, remove, store and reuse in all types of sites

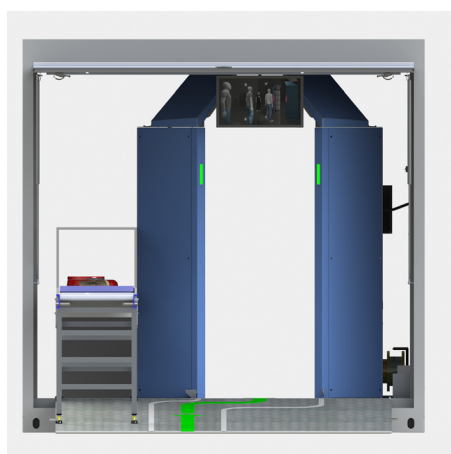

FINANCIAL GAINS

- ✓ Reduction in the number of staff dedicated to searches
- ✓ Option to rent advertising space

A complete range of products to suit all types of events outside
